

## Rentrée Soirée Refresher

Welcome back! Whether you've been to many alumni events or it's been a while, we're glad you're here. Rentrée Soirées are meant to be relaxed, festive and celebratory — a chance to reconnect, celebrate *la rentrée*, and strengthen the AUP community across generations in your city.

Depending on your location, this event may include many recent graduates attending their very first alumni gathering — and your presence can make a big difference!

### What to Expect

- A casual, social vibe — while not a formal networking event, meaningful professional and personal connections can be made.
- Alumni across class years, countries, and industries.
- Light refreshments, great conversation, and AUP vibes.

## A Few Ways to Make It Meaningful

### Make a point to talk to recent grads

If you meet someone fresh out of AUP, introduce yourself, share your experience, ask about their experience and help them feel welcome. Sharing what you've learned can offer real encouragement and insight to those just starting out.

### Great Questions to Ask

- “What brought you to AUP?”
- “What are you hoping to do next?”
- “Is this your first alumni event?”
- “What’s something exciting you’re working on this year?”

*PRO TIP: Your presence helps build a stronger, more connected community.*

Thanks for showing up, reaching out, and making the AUP alumni community special.
